

Racing Line (Titanium)

Product code: S-Y7R8-HEGEHT **EC** **CARB** **ECE**
MSRP ex. VAT: 1.197,51 €

The Racing Line is a complete system with a new muffler shape made from lightweight high-grade titanium. It has headers constructed from stainless steel and a handmade carbon-fibre endcap. It has increased top-end power and mid-range torque levels, with improved engine response for enhanced rideability and a huge weight saving of over 26% on stock. A deeper, sportier sound enhances the overall enjoyment. It is EC/ECE type-approved. No remapping is required and it is easy to fit.

Catalytic converter is included within the system.

FITMENT NOTICE: This product can not be mounted in combination with optional Yamaha engine protectors.
